## This month at EPS...March

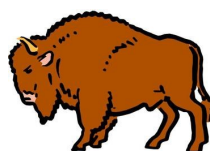

- Mar. 2—pizza orders due
- Mar. 7—pizza lunch (pre-ordered)
- Mar. 8—Subway orders due
- Mar. 9&10—No School for students
- Mar. 14—Pi Day
- Mar. 16—Subway lunch (pre-ordered)
- Mar. 17—St. Patrick's Day
- Mar. 24—No school for students

*\*additional events may show up on the class website, in your child's agenda or the school newsletter.*

## Home Reading

The weather is getting nicer and the kids are out playing more. Great!

Try to keep a designated time for reading at home, whether it be before bed, after supper, before supper, in the morning, or after breakfast.

STAY TUNED FOR FIELD TRIP INFORMATION THIS MONTH!

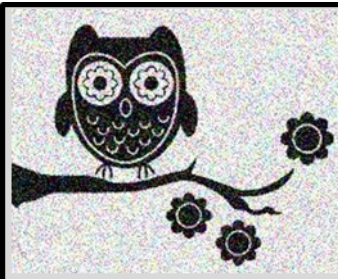

Winter Carnival was a big success. The kids enjoyed ice sculptures, snowshoeing, crafts, face painting, a wiener roast, a selfie scavenger hunt, snowman building relay, problem solving and just hanging out, building relationships and celebrating our awesome school!

**March 17th is St. Patrick's Day!**  
*Students will partake in some afternoon activities that celebrate this day. They can wear green or orange too.*

*Thank you to the designated families this month, for bringing in snacks!*

March 2017

Volume 5, Issue 5

## Core Curriculum Outline

### Reading

I can read fluently.

I can use strategies and skills while reading to better understand what I am reading about.

### Writing

I can edit and revise my writing.

I can pre-write to organize my ideas.

I can write a story.

I can be descriptive and detailed.

### Math

I can collect data, organize data into different graphs, and interpret data from graphs.

Gr. 4—I can recall multiplication facts and use mental math strategies to solve unknown facts.

I can solve multiplication and division word problems.

### Social

I can compare the six regions of Alberta.

I can understand how learning about Alberta's geographical features teaches us about our history in this province.

### Science

I can identify basic forms of energy.

I can demonstrate how light travels.

I can name natural and manmade light sources.

I can demonstrate that light can be reflected, refracted, and absorbed.

I can explain how shadows are formed.

### Health

I can make positive choices towards my peers in order to make and keep positive relationships.

## Pi Day

**Pi Day is celebrated on March 14th (3/14) around the world. Pi (Greek letter "π") is the symbol used in mathematics to represent a constant — the ratio of the circumference of a circle to its diameter — which is approximately 3.14159...**

**Mrs. Knoppers has planned a great day! Students can purchase a mini pie at lunch for \$1.00, can participate in the memorization contest, AND can bring in \$2.00 to mush a pie in a teacher's face! All funds raised will go towards Mrs. Knopper's Foods Program.**

Please continue to send your child to school with either ski pants or splash pants as they still play in the snow and get wet.

REMEMBER TO PACK A HEALTHY MORNING SNACK FOR YOUR CHILD, FRUIT AND VEGGIES FOR EXAMPLE.

If you buy your milk, cream or juice in cartons. Please rinse them out and donate them to school for our building units!

Data Duotangs will go home in the next two weeks, once AR goals are adjusted and math units end. Show interest in your child's learning and look through their progress together!

***Praise progress over perfections.***
